

Attention Eagle Rider Groups,

Please be advised, pictured below is the Official Logo and Patch for the Fraternal Order of Eagles, Eagle Riders Groups.

The Grand Aerie, International Chairmen and State Eagle Rider coordinators have been working with local motorcycle clubs to get our Official Patch accepted. Any variation of the Official Patch below or the addition of rockers may result in confrontation from other motorcycle clubs.

We wish to ensure the safety of our Groups throughout the United States and Canada and ask for your full cooperation in this matter.

In true fraternalism,

William L. Loffer, Chairman
Board of Grand Trustees

NOTE: Any groups using rockers or varying from the Official Patch will not be permitted to have their group listed on the International Eagle Website.
