JOHN BOYD

TIME FOR A TUNE-UP

Complacency is the enemy of success. Don't just settle for doing the same thing you've been doing - strive for more! Bettering ourselves helps us better our Aeries and Auxiliaries and puts us on the path to long term success. If you're an Eagle, you've probably heard someone say "We've Always Done it That Way" a time or two. This year, try things a different way. Our organization deserves more. It deserves better results and bigger goals that honor the strives our Brothers and Sisters before us made to make the Fraternal Order of Eagles a worldwide institution. Make the most of your year by finding new, better ways to lead our organization forward.

STAY ON TRACK

In the F.O.E., Compliance is your race track. Our team has built a set of requirements that ensure your Aerie and Auxiliary are prepared to withstand anything that may come your way. When you veer off course, accidents happen. Make sure you're following all of the Grand Aerie's Compliance requirements to keep you safe from legal issues and/or unexpected damages to your Aerie home and protected in the event of theft or other major events. Our list of required Compliance items is meant to help PROTECT you. Lack of compliance can lead to major financial issues, loss of nonprofit tax status, loss of property and even revocation of your Aerie or Auxiliary charter. Focus on Compliance and keep your Aerie on the right track!

THE BEST TEAM WINS

Behind every great driver is a great team of pit crew, engineers, managers and more. The Fraternal Order of Eagles is no different. Without a team of members from the Aerie and the Auxiliary working together as one, you won't find yourself in victory lane. Every part and person must be working in unison to reach your full potential. Focus on building a solid team this year and make sure everyone is committed to the same goal. You'll find that when you all work together for a common cause, you'll be able to move faster and farther than you ever imagined!

CHARITY - MAKE-A-WISH FOUNDATION

Grand Worthy President John Boyd and Grand Madam President Kim Haidsiak are teaming up to partner with the Make-A-Wish Foundation for their year to help grant wishes across the country for children and young adults battling critical illnesses. Help reach the goal of granting a wish in every state this year by supporting John's Make-A-Wish Charity Project.

Funds donated will be used to support wishes granted in the State/Province from which they were donated. (i.e. donations from Missouri Aeries/Auxiliaries will be used for Missouri wishes.)
