GMP KIM HAIDSIK

MEMBERS UNITE

Join together as a group to achieve a common goal. Everyone needs to work together as a TEAM. AERIE with AERIE. AUXILIARY with AUXILIARY. But most importantly AERIE with AUXILIARY. And there is NO "I" in team. Behind every successful Aerie home is an Aerie and Auxiliary who share mutual respect for one another and work together to recruit new Eagles, hold fundraisers and plan events.

SHARE IDEAS

Openly communicate and discuss your thoughts, concepts, suggestions with others. The best ideas form through collaboration. When we work together to develop new ideas and programs, we ALL succeed. Help your fellow Eagles and watch our Order grow!

COMMUNICATE

Effective communication is the most important factor in achieving success or maintaining positive relationships, as it allows for clear understanding, problem solving, and building strong connections with others; essentially it is the foundation for any successful interaction, whether personal or professional.
